The memories of our high school years will always be part of the "best years of our lives." We will remember the good times as well as the bad, the pleasant experiences along with the unpleasant. The 1981 CAVALLIER has selected "Memories" as its theme with the wish that it will remain always as a reminder of Middletown High School.

The *Cavalier Chronicle* Editorial Board: Standing Lori Austin; Kim Ennis; Link Starnes; Chrissi O'Grady; Dr. Black, advisor. In the front row are Debbie Faulkner; Marylou Gruwell, editor; Jean Scott, assistant editor.

## CAVALIER CHRONICLE

The 1980-81 *Cavalier Chronicle* Staff. In the back row are Jay Goldsborough, Chrissi O'Grady, Debbie Faulkner, Jeff Fries, Shawn Jefferson, Link Starnes, Donna Hurley, Lori Austin. In the front row are Kevin Wright, Jean Scott, Marylou Gruwell, Kim Ennis, and Kim Marshall.

## YEARBOOK

The 1981 *Cavalier* Staff. The wild and crazy crew that put together this book is pictured huddled together in the corner next to the sink. In the back row are Alan Schmidgall, Tim Tearl, Nancy CuPhilly, Jennifer Allen and Juoni Kuronen. A little higher up in the back is the editor, Connie Wharton. Queen of the mountain on top is Alexis Albert. In the front row are Cortez Brokenbrough, Louise Caine, and Dr. Black, the advisor who looks as though he wants to make a break for the nearest exit.

At the top of the page is the staff planning the wonders of the book. Alan Schmidgall, Tim Tearl, and Alexis Albert seem to be engrossed in the copy planning book. Connie Wharton is either wondering how the thing is going to get done or is simply drifting off into space.
